DRILLEASE

DRILL EASE

BATTERY-OPERATED
TIE DRILL
PATENT PENDING

Compatible with all
standard drill batteries

If you could increase production
in your rail yard while making
it safer for your rail workers,
why wouldn't you?

Put your trust in the value of
Focused Technology Solutions'
DrillEase.

What are the Benefits?

- Averages 3-5 seconds per hole in wooden ties;
- Lightweight: Weighs only 30 lbs;
- Up to 20 lbs lighter than conventional hydraulic tie drills;
- No hazardous hydraulics, hoses or fluids;
- No gas-powered generators;
- No setup time necessary;
- Takes just one worker to operate.

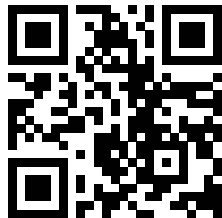

Compatible with an off-the-shelf
**Milwaukee 1" high torque
impact wrench.**

Eliminate the Worst Parts of the Job

In listening to our customers and their needs, we have
developed an alternative way to drill into wooden ties.

With no hydraulics, no 50-foot hoses, no bulky and disgusting
generators, you're getting a tool that has all the capabilities as
other tie drills without all the headaches.
