

# POWER EXTENDER

The Future of Rail is Here

The Power Extender™ increases your tools' battery life up to 85 amp hours of power anytime, anywhere.

**Easy to Use:** Uses up to seven standard 18v batteries  
**Performance:** Up to 85 amp hours anytime, anywhere  
**Reliable:** Made for tough work environments  
**Eco-Friendly:** Eliminates the need for hydraulic generators

# 85 AMP Hours of Power Ready on Your Terms!

## What are the benefits?

- Made with an ergonomic design for increased efficiency;
- Fully-fused, independently tested;
- Compatible with power tools, floodlights, other devices that need quick power on the go;
- No more gas generators needed;
- Provides over 12 hours of battery life at full charge\*;
- Uses standard 18 Volt rechargeable, off-the-shelf, batteries (the same ones used by Class I's);
- Lightweight and compact for easy use;
- Perfectly accompanies standard battery-powered impacts.
